

Dear PECSH/MNA member:

Tonight (November 4), members from the BATs committee counted the ballots, and the members overwhelming voted to reject the Sparrow Hospital's Final Offer and authorize the PECSH/MNA bargaining team to call a strike, if one is necessary. There were more ballots cast in this vote than in anytime in PECSH's history.

I have contacted Sparrow's attorney about negotiating, next week, and I hope that Sparrow will return to the table and bargain in good faith toward a new and mutually satisfactory agreement. On behalf of the bargaining team, I would like to thank you for your continued support.

Jessica Salazar
MNA Labor Relations Representative
